Institution, location

Head, supervisor

From to

I am a member of ECA of ESHG

Yes no Yes no

I am a member of another association of cytogeneticists

Yes, specify

No

Pre-registration & Accommodation

I wish to register for the course and to reserve a room in the dormitory of the Goldrain Conference Center or in a nearby hotel. Please put a x in front of your choice.

single room

double room to be shared with another student

double room to be shared with a partner not attending the course

Registration fee € 1600.- for a single bed room. € 1450.- for a double bed room. If you want to share a room with an unknown other participant, you can profit from the lower fee only if there is another such registered. If you want to bring your partner who does not attend the course, your fee is still € 1600.-, and the partner should pay the additional fee directly at arrival to the staff of the castle.

The registration fee includes accommodation for seven nights, meals for August 29 to September 04, dinner on the 28th of August and breakfast on the 5th of September. It excludes transportation to and from Goldrain and the fee for a second bed in a double room for non-participants.

Since there is a limited number of participants (50 at maximum, including the lecturers and staff) and rooms, we recommend that you register at your earliest convenience.

Note: After we have received your pre-registration form, we will inform you about acceptance of your application and send you information about payment of the registration fee. Registration will be accepted only after confirmation by the bank that the registration fee has arrived. Confirmation of registration will be communicated by email to the address above together with further information about travel and other details about the course.

Please, send the pre-registration form via e-mail to schinzel@medgen.uzh.ch and marco vismara <marco@vismara.info>
